

TANZANIA: An Incredible Testimony to God's Wisdom, Sovereignty, and Power

ORLANDO, Sept. 30, 2020 /Christian News-wire/ -- Despite the unprecedented slew of pandemic-related shut-downs, quarantines, and schedule delays, the Christ for All Nations (CfaN) team has not missed a single Gospel Crusade. In fact, 2020 has been one of their busiest years and by the end of the year, they will have had the most crusades in a single calendar year since 2004! This is an incredible testimony to God's wisdom, sovereignty, and power to see His will accomplished in all circumstances. Part of their success is due to the inaugural class of Evangelism Bootcamp graduates. Af-

ter receiving intensive training, they deployed to the mission field for a three-week long Initiation trip – evangelizing in schools, marketplaces and anywhere one of their specialized Gospel Trucks (complete with audio, stage, and lighting) could be set up. An extraordinary team of seven alumni assisted the preparation for crusades in Tanzania: organizing churches, training ministry teams, and preparing for 5 Gospel Crusades to be held in that beautiful, East African nation this year. The land of Mt. Kilimanjaro, the Serengeti, Masai warriors, and Zanzibar spice traders are showing remarkable receptivity to

the Gospel as the graduates evangelize from east to west, north to south. Marked by a notable unity amongst the churches, the work is proceeding smoothly. As Bootcamp Graduate and Tanzania team member, Jacob Ebersole said, "When I started talking to people, I noticed the expectation to see something great here in Tanzania." His classmate and fellow team member, Joe Turnbull, echoed the sentiment, "As we got out of the airport, we were just sharing Christ, praying for people, and people were so hungry, so open, and so loving." On Sept. 13th, over twenty Bootcamp graduates arrived

to start their initiation process and support the effort on the ground. (See Video). The CfaN team asks for your continued prayers as the team lays the groundwork in Arusha, Singida, Shinyanga, Tabora, & Kahama and other cities and regions throughout Tanzania. There is an abiding recognition that God continues to answer those prayers and to honor the financial support that continues to provide for the work. Regular updates will be made at cfan.org and across CfaN's social media platforms. +++

Many of them have been sick for 2, 3, 4 years."

Christians, Let's Mature

By Georgia Yost

James 4:7 "Submit yourselves therefore to God. Resist the devil, and he will flee from you."

Excellent book broke down in three parts. The book has inspiring messages.

- What the Word Of God is
- How to Study
- God compared to man
- Our relationship to God
- Know your enemy
- How to operate in God's authority

Christians should know how to fight. We are in a fallen world and nothing here is perfect. God has given us everything we would have need of to live this life victoriously. We cannot be a light to the world if we are weighed down with the cares of this world.

I pray this book can lead you to God and find that in Him we have peace, joy and understanding on how to live. With the years of experience I have, I cannot thank God enough for making it possible for me to share His love and faithfulness.
