

6 Ways to Remember Persecuted Christians in 2021

By: Christian Freedom International

FALLS CHURCH, Va., Jan. 5, 2021 /Christian Newswire/ -- As Christians face rising persecution worldwide, many of us are looking for ways to connect with those who suffer for their faith.

Christian Freedom International – which helps persecuted Christians – has a few ideas.

In hostile regions of the world, Christians risk beatings, imprisonment, discrimination, and death for their faith. They can be harshly punished for modest acts of faith – praying or believing that Jesus is God.

How can Christians “remember those who are mistreated” for their faith, as Hebrews 13:3 encourages?

Here are 6 simple acts that—if done in some countries – can trigger persecution against Christians. These actions can remind us of the price persecuted Christians pay for their faith:

- Asia Bibi offered a cup of water to Muslim neighbors. They accused her of blasphemy and she was sentenced to death.

Act: Offer your neighbor a helping hand, an act of kindness out of love for Jesus.

- Muna and Awale in Somaliland were caught with Christian materials and arrested for “spreading Christianity.”

Act: Give a Bible or Christian literature to someone who does not know Jesus.

- New believers in hostile societies may be shunned or killed by their family or community.

Act: Reach out to a friend or family member to share the message of

Jesus’ love with them.

- China criminalizes teaching children about Jesus and jails pastors.

Act: Teach a child about God. Help in a Sunday School class. Encourage your pastor.

- North Korea criminalizes praying to anyone other than its Supreme Leader.

Act: Pray for Bibles and discipleship trainings to reach secret Christians and yet-to-be Christians in hostile countries to strengthen their faith.

- In some countries, Christians are forbidden from having any contact with foreigners. What is the one thing they request? “Pray for us.”

“Your actions on behalf of persecuted Christians – and Christian Freedom International’s calendar displayed in your home, office or church – can strike up conversations with others. You can let people know that Christians are persecuted throughout the world, and there are ways we can help,” said Wendy Wright, president of Christian Freedom International.

Day Gardner Encourages Christian Conservatives to be Strong and Courageous, for the Battle Belongs to the Lord

“We Battle Not Against Flesh and Blood, So Get on Your Knees and Join the Fight” -- Day Gardner

WASHINGTON, Jan. 26, 2021 /Christian Newswire/ -- The following is submitted by Day Gardner, President of the National Black Pro-Life Union, she is available for comment:

Make no mistake, America is at war!

It started with big tech’s Twitter, Facebook, Amazon and even Pinterest shutting down the voice of the President of the United States. So of course, namby-pamby, lilly-livered, scaredy-cat companies like Bed, Bath & Beyond, Wayfair, Kohls and even banks decided to align themselves with big tech. Twitter has banned more than 70,000 Christian and conservative accounts.

Not only the account of President Donald Trump, but also the accounts of CEO of My Pillow, Mike Lindell, Michael Flynn, Sidney Powell, Steve Bannon, Milo Yianopoulos and 70,000 plus others! Twitter’s CEO Jack Dorsey says he isn’t done yet, and the banning will continue. This is spiritual warfare.

Our enemy is big and strong and seemingly holds our government, jobs, prestige and even the very value of life itself in its grubby grasp... but GOD!

As stated in Ephesians 6:12-20 (KJV)...

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;

And your feet shod with the preparation of the gospel of peace; Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.

And take the helmet of salvation, and the sword of the Spirit, which is the word of GOD:

my life. Poof! WE THE PEOPLE of AMERICA the beautiful, must be reminded to be spiritually strong. Twitter, Instagram, Pinterest et. al are dependent on our pennies, dollars & followers to stay in business. They want us to like them, buy their products and forward them so that our friends, family and unknown followers will do the same.

We should be reminded of the BUS BOYCOTT 1955. The boycott took place from December 5, 1955, to December 20, 1956, and is regarded as the first large-scale U.S. demonstration against segregation.

There is a segregation of sorts happening against Christians and conservatives... against free speech, opinion and thought.

America must rise up in prayer. Put on the whole armor of GOD. Then, ban those who dare to ban us -- without fear. With GOD, and we the people who know and love GOD -- our enemy will fall like Goliath and the walls of Jericho. Trust in all that is holy.
