

Our Priestly Duties Over Our Nation

By Sarah Jansson, Evangelist/Prophet | sarahjansson.com

Mordecai said to Esther, "And who knows whether you have not attained Royalty for such a time as this?". Well so child of the living God, you also are royalty, and perhaps you were born in your generation for such a time as this. Jesus Christ made it clear in His Word who we are and what are our duties as part of His Royal Kingdom. 1 Peter 2 v.5 says we are like living stones, a spiritual house, a holy, dedicated, and consecrated priesthood. We are to offer up spiritual sacrifices that are acceptable and pleasing to God through Jesus Christ. In verse 9 our Lord calls us a chosen race, a royal priesthood, and a dedicated nation. We are God's own purchased special people. God is looking for Abrahams' that will intercede for their nation, even seeking God to spare their city for 10-Righteous people. Moses sought God time after time for the Israelites. Esther fasted, prayed, interceded, and sought God for the life of her people. Many of the prophets like Daniel, Ezekiel and Jeremiah were intercessors and spokesmen in their generation for their people and nation. Joseph became a pillar for God for a time when his nation went into famine and want. Deborah was a prophetess who led Israel to victory over Canaanites. God wants Deborah's for this generation as well. This is the season that God is raising up Mighty Women Warriors to bare the fruit from heavens seed that was planted within

them and bring forth the manifestation of the Victorious Warriors that are saved for such a time as this. In Isaiah God said, "Put Me in remembrance; let us plead and argue together. Set forth your case, that you may be justified". Putting God in remembrance interceding and pleading before God is what an intercessor does and as children of the living God, we are all called to be intercessors. Intercessors are watchmen on the wall, they have the eyes and ears of Christ and see what he sees and hear what He hears. They have Eagle vision and can see afar off in the spirit realm. Then they put it together with what is happening in the natural realm and hold the roar of the Lion of the Tribe over the plans of the enemy. We are also called to be God's spokesmen and His mouthpiece. The book of Jeremiah is also for you. The Lord has put forth His hand and touched your mouth. He has put His Words in your mouth. As part of a royal priesthood, He has appointed you to the oversight of nations as well as kingdoms. You are called to root out and pull down, to destroy and overthrow, but also to build and to plant. Jesus has breathed His Holy Spirit within you to be His agents in the earth today and allow His Spirit to live through you like He did through Jesus. We are His hands, heart, mouth, ears, and eyes extended today to all who need a living

Word, or a living touch from His hands. We are created in His image and He re-creates again and again as we speak His Word over our life and in our land. He promises in His Word that He will watch over His Word to perform it. He does not want to use a rock or else He would have put His Spirit in a rock. He wants to use you and me and continue pouring forth His Resurrection Power through us today. It is time to place as priority what Our Lord and Christ deems as priority in our lives, cities and nation. "If my people who are called by my Name will humble themselves and pray and require of necessity my face and turn from their wicked ways, then will I hear from heaven, forgive their sin and heal their land". If we are His people, then we are to humble ourselves and pray. Today all nations of the world need intercessory prayer more than ever for the days we live in. Everyone in the body of Christ are called to be an intercessor and commit to a life of prayer for their families, their communities, their churches.

2 Chronicles 31:20-21 KJV
"And thus did Hezekiah throughout all Judah, and wrought that which was good and right and truth before the Lord his God. [21] And in every work that he began in the service of the house of God, and in the

law, and in the commandments, to seek his God, he did it with all his heart, and prospered."

STAGE 4 CANCER GONE!

Continuation From Page 1:
... Lord spoke to me and He said, 'That's the cancer that I just stopped.' For the next two months Shirley continued with treatments, believing that God was healing her. Soon the good days were outweighing the bad days. And when she went in for her 90-day checkup, she finally got the news she'd been praying for. Dr. Olivares says, "The PET scan showed that the tumor was gone and that there was cancer in her body. I believe that when a person has stage IV cancer and the cancer is gone, it's a miracle." "I was jumping excited, twirling, thanking God, just thanking God that He is a restorer," Shirley joyfully exclaims. Mark adds, "I felt free on the inside, free to plan again, free to know that God was including her and I together for the rest of our days here on earth." Since that August in 2012, Shirley's had no sign of cancer. She shares, "It's been amazing to know that there is true life, and there really is freedom from sickness and dis-ease. There really is freedom from pain." Shirley and Mark give all the credit to Jesus Christ. "I've been healed today because I believed His word and I took it, and it had to become part of every cell of my being," says Shirley. She concludes, "He's not a respecter of persons. What He did for me, He will do for others."
