

# How to 'Go Back to Normal' Before Going to the LAKE OF FIRE

BY Evangelical Outreach | [www.evangelicaloutreach.org](http://www.evangelicaloutreach.org)

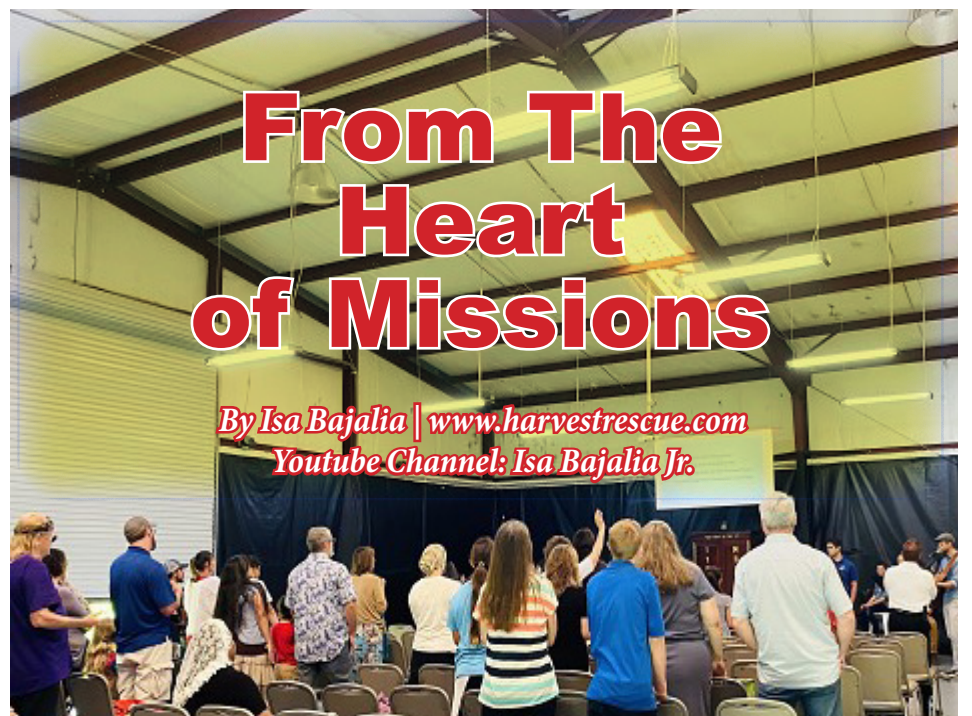

**WASHINGTON, Penn., June 1, 2021 / Christian Newswire/** -- The following is submitted by Dan Corner of Evangelical Outreach: Among other details, the Book of Hebrews was written to persecuted Hebrew Christians pressured to return to the synagogues. To go back to their old "normal" life before salvation, they would have to deliberately commit ETERNAL UN-FORGIVABLE SIN by "treating as an unholy thing the blood of the covenant that sanctified them, and thereby insult the Spirit of grace" (Heb. 10:26-29). Sadly, some did so that they could 'participate in society' without hassle (persecution) and, consequently, 'raging fire' was awaiting them after their death. Their situation is very similar to what is coming SOON to us - the Mark of the Beast needed to 'buy or sell' (Rev. 13:16,17). Those who receive that bodily mark will go to the lake of fire after their death (Rev. 14:9-12). They'll get to "GO BACK TO NORMAL" to some degree by 'buying or selling' at that time, unlike those who wisely don't take the mark, but at what a price!

Those who will take the mark (the bodily proof of vaccination stamp on the right hand or forehead) will irreparably destroy their own eternal SOUL for 'normal' living, which is NO LONGER NORMAL AT ALL, as their every detail will be carefully tracked. Furthermore, they will only gain a few years with painful ugly ulcerated sores (Rev. 16:2) before the lake of fire. When that dark time soon arrives, all will need that mark (or stamp) to buy or sell: THE SCANNABLE, INVISIBLE-TO-THE-NAKED-EYE, QUANTUM DOT TATTOO (QDT) as PROOF OF VACCINATION ON THE BODY delivered along with a MICRONEEDLE VACCINE (Smart Patch). That will be the MARK OF THE BEAST (NOT the current gene-altering experimental toxic hypodermic needle/syringe out now). IT COULD LOOK LIKE VELDRO ON A BAND-AID. QDT will use the Luciferase enzyme that makes microneedles (smart) patch glow under a smart phone app or scanner. This PLANdemic is not about a virus and immunity; it is about IDENTITY and TRACKING; IT'S ABOUT GETTING THE HYDROGEL NANOBOT BIO

SENSORS IN THE BODY. You won't be held down and forced in that way to take it; but as Windowscentral said about their Worldwide Digital ID system, "non-participants will be unable to buy or sell goods or services." People who don't get it just won't be able to buy and sell; your financial transactions will be blocked. Take this mark to "get back to normal," as they offer, and you'll go to the lake of fire (Rev. 14:9-12). The "elites" call it our Digital ID, Immunity Passport, Proof of Vaccination, etc., but the Bible calls it the MARK OF THE BEAST (Revelation 13:16-17). It can even be sent to you via the mail, UPS, etc. for self-administering. This train is unstoppable and there is only one way to prevail: "They overcame him by the blood of the Lamb and by the word of their testimony; THEY DID NOT LOVE THEIR LIVES SO MUCH AS TO SHRINK FROM DEATH." (Rev. 12:11) We must PATIENTLY ENDURE and REMAIN FAITHFUL TO JESUS TO DEATH (Rev.13:10; 14:12). PARADISE is but one second after decapitation (Rev. 20:4). HOLD ON.

# From The Heart of Missions

Join me in praying for these new assignment to North Africa and the Balkin Region.

Jesus to anyone who will listen to us. I'm grateful to the local leaders who are on the ground in these Nations with only one desire for the locals, win the lost for Jesus!

erous grace of our Lord Jesus Christ. Though He was rich, yet for your sakes He became poor, - so that by His poverty He could make you rich. I want to encourage you about how much the Lord has sacrificed for each one of us.

### Preparations for The Mission field;

Thank you to those of you who pray and contribute for the upcoming journey for the expansion of God's Kingdom in North Africa and the Balkins. It seems that the needs are so many but God's ability is greater. Among the refugees from Iraq, Syria and Iran, food and medical attention seem to be of necessity. Our desire is to supply everything, however, realistically we can only give that which we have.

### Philippines;

Even while there is still a lockdown, and movement is restricted, Jesus is being shared through the distribution of food, clothing and Bible study materials. We have a mandate from Heaven, the foundational truth of salvation through the Blood of Jesus is still being preached from all available venues. We praise God for you.

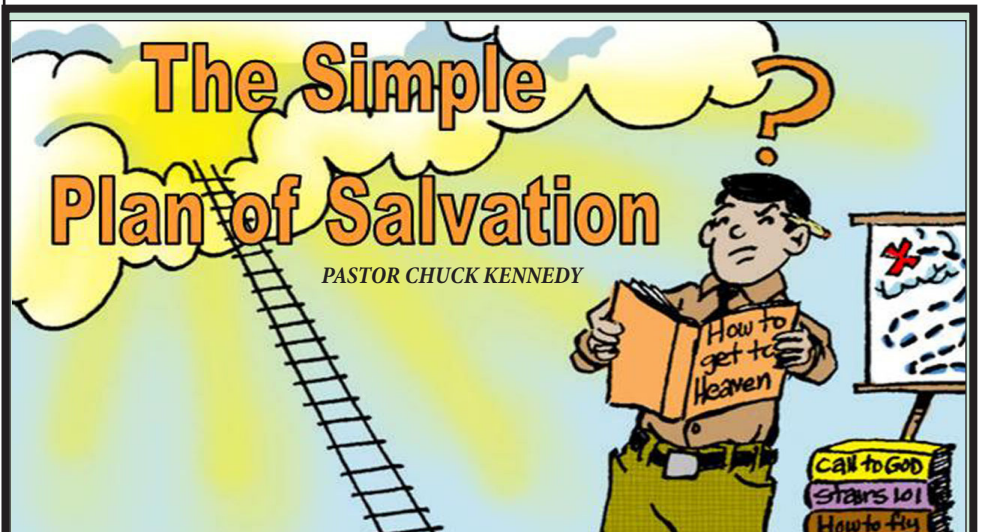

Thank you for praying for me as I run my race in missions. I still have my eyes on the prize!

### Encouragement;

We are praying, doing what we can and sharing
