

# Life Wins -- Supreme Court Overturns Roe v. Wade

By Truth & Liberty Coalition | www.truthandliberty.net

WOODLAND PARK, Colo., June 24, 2022 /Christian Newswire/ -- After nearly 50 years and more than 60 million babies lost, Roe v Wade has been overturned by the U.S. Supreme Court. In the Dobbs v. Jackson Women's Health Organization case, the Supreme Court sent the issue of abortion to the states to decide. In a majority decision, Justice Samuel Alito wrote, "The Constitution makes no reference to abortion, and no such right is implicitly protected by any constitutional provision." Just last month, Alito's draft opinion leaked to the media, sending shockwaves through the pro-abortion camp. According to Andrew Wommack, president of Truth & Liberty Coalition, "While this is a time of rejoicing and expressing our gratitude to the Lord

for the brave men and women who made this decision, and all the people who have worked against abortion all these years, we also have to stand strong in the power of His might (Eph. 6:10)—because our work isn't done." Dozens of states already have pro-life laws ready to enact in wake of Roe's reversal, but Colorado recently passed the most aggressive pro-abortion bill in the nation—allowing the murder of babies in the womb up to the moment of birth. According to Richard Harris, executive director of Truth & Liberty Coalition, "This is an incredible and wonderful day in the history of America! In Isaiah 28, the prophet laments that Israel made a covenant with death but prophecies in verse 18 that God will disannul that covenant and bless

the nation. Today, our national 'covenant with death' has been disannulled. Hundreds of thousands of innocent lives will now be spared in states with the moral clarity and courage to restrict abortion." Standing for biblical truth, supporting pro-life legislation, and electing strong constitutional conservatives at the local, state, and federal level will be key in protecting the rights of the unborn and ensuring "life, liberty, and the pursuit of happiness" for all Americans. "Now that we are in the Third Great Awakening, we may see the end of abortion in this generation—but it will take the Church working together to see it come to pass," said Wommack. ## National Black Pro-Life Union: Praise God - Roe is Gone

By National Black Pro-Life Union

WASHINGTON, June 24, 2022 /Christian Newswire/ -- The following is submitted by Day Gardner, President of the National Black Pro-Life Union, she is available for comment: Praising GOD this morning! ROE is GONE! Giving thanks for the long awaited decision of the Supreme Court to finally right their wrongly decided law. Also, praising GOD for my colleagues, each and

every person, group and organization who have worked and lobbied for almost 50 years to stop the bloody slaughter of innocent children. History has been made today and now our attention must be focused on the individual states. We truly believe ALL LIFE MATTERS. Overturning Roe was every bit as important as it was to rid our beautiful country of the institution of slavery. The engine of the under-

ground railroad -- will continue to roar until the day we see all abortion as a terrible thing of our historical past. If we stand united against this horrific practice ... we shall overcome this, too! Day Gardner is the President of the National Black Pro-Life Union headquartered in Washington, DC.
