Call Unto Me

By Robin Art
robin@vegegrower.com

Early one evening recently I was on my way home. Grateful that I was coming up on I-75, I hoped to get home quickly. A hospital stay earlier in the week left me fatigued and I was anxious for bed. But as I approached the on-ramp, I felt a leading to go another way. For reasons I didn't understand, I decided to drive parallel to my original route, which took me beside Benderson Park. If I hurried I could make it home before dark. The park is popular and on a lake. Never having been there before, I said to myself, "Well, as long as I'm right here, maybe there would be time for a short walk along the lake before dark. Then seeing the entrance go by & realizing I had just missed it, I would have to make a U-turn. It seemed a lot more trouble than it was worth and my goal was to get home. But I decided to turn around and go back to the park. The U-turn up ahead was quite a ways up. I was now feeling a little annoyed with myself as I circled back around. Normally a popular park, I noted there were few cars in the driveway. Getting out I saw that it was now becoming dusk

& I did not feel safe taking even a short walk. I decided I would walk to the end of the dock and look out over the water for a moment before returning to my car. Approaching the dock I passed a young woman way off to my left sitting alone on a blanket beside the water. Seeing her only from behind as I passed, I could not see who she was. From the dock I glanced briefly over my left shoulder. I thought maybe I saw her quickly wipe away a tear. And look the other way. I wasn't sure. A few minutes passed and the Lord spoke to my heart: "Call unto me and I will shew thee great and mighty things which thou knowest not," I heard. "Oh, no. So (this is what this is all about), I said to the Lord. You're going to ask me to go over there and talk to her!" I glanced back at the young woman. It was now fully dusk and I could not make out her appearance, but two things were obvious. By her body language, it appeared she wanted to be alone and (perhaps) to have some privacy. The 2nd thing that became obvious: She was a beautiful young woman, sitting all alone in a popular, but now empty park

and it was a Friday night. "Uuuuhhhh, Lord, I said to Him. I think maybe this girl wants to be alone. It's getting late and I need to go too. Besides that would be really awkward to go over there & I'm feeling like it would be really intrusive to go stand over her blanket. I turned to leave. As I passed her I felt the leading again, but I struggled and said nothing. She looked straight ahead as if I was not there. I paused briefly and then lost my courage. As I began to exit the parking lot I reached the turn to go out to the road. But the Lord would not let me go. Really, I said to Him? You're Really going to make me do this? Again, I remembered His words: "Call unto me and I will shew thee great and mighty things which thou knowest not". Putting the car in reverse I backed up into the parking lot and got out again. "OK Lord, I said. Now that I almost left & came back this is going to look Really strange now. She's going to think (What?) Maybe I'm going to look like a stalker or something?" I slipped a track into my pocket and slowly approached her blanket. (AWK-

ARE YOU AWAKE

By Jan Sill | jansillbiz@gmail.com

Last year on a quiet afternoon, I was resting with nothing much on my mind. Suddenly, I heard a bold voice say clearly, "Are you awake?". I Knew immediately this was a message from the Lord. The Prophets have been declaring for the past several years, "The Great Awakening". Honestly, when I first heard Him say, "Are you awake?", I wanted to say YES, but I stopped to re-evaluate my own heart; of which is imperative we all must do.

Am I fully awake? Are you fully awake? It says, if possible, even the elect could be deceived. Deception is everywhere. Christ is coming as a thief in the night. The world is very dark and getting darker so fast. We need to stay Spirit-Filled and refuse to allow our hearts to be darkened. Father, help us to keep the Fire of God in our hearts, and walk in His righteousness. Let me ask, do people see Jesus in you? Looking at the parable of the ten virgins, we see they are all Believers. Those who are wise will have the oil they need, and it is the foolish that will not have enough oil. It is the oil that creates the fire in my lamp. *The FIRE of God in us is what causes others to see Christ in us.* As it gets darker in the world, the fire will grow brighter in us. The Word of God says my ministers are as flaming fire. Keep your lamps trimmed and full of My oil. Be ready! Colossians 1:27 Christ in you is the Hope of Glory. He is our Head and will guide us in all Truth. We are His Body. He is the light that is seen in you. Without the oil, His light cannot be seen. He is warning us...time is slipping away. Keep your armor on and be ready, for we do not know the time, but all signs say His coming could be soon. He said in the last days He would do a quick work

PARTAKERS
1 Peter 1:4 We are being made partakers of His divine nature and partakers of His great and precious promises. The word Partakers is comprised of two words, Part and Take. We must Take our Part. Isaiah 60:3 For behold darkness and deep darkness are the people; but the Lord will rise upon you and His Glory will appear on you. The Lord Cares about where we are spiritually. Are you taking your part? Are you prepared?

PREPARE
Looking closely at the word Prepare, PRE-means "before" and PARE-means "to remove the flesh". Jesus said, I go to PREPARE a place for you and where I am, there you will be also. We must allow our flesh to die that He may live and shine through us. He is the light of the world. Without Him there would be total darkness. Let your light shine.

TESTAMENT
Let us look at the word Testament as in The New Testament. It is comprised of three parts... Test-Amen-T. Notice the Cross is at the end (t). It is all about Him! We are being tested and we must pass the tests of life. to grow into spiritual maturity. (Your testimony). Jesus Christ is Lord. 1 Corinthians 15:51 Behold, I show you a mystery. We shall not all sleep, but shall all be changed. 2 Corinthians 3:18 But we all with open faces, beholding as in a glass, The Glory of The Lord are changed into the same image from Glory to Glory even as by The Spirit of The Lord. The word "Name" means Nature. His Name or His Nature is Love. I believe that is why we are taught to pray, "In Jesus Name" after every prayer. The fruit of His Spirit was born in us, and therefore He said, you must be born

again. It is the seed of Christ in us that will grow up into maturity (sonship). There is neither male nor female in the spirit. His Nature is Love, Joy, Peace, Gentleness, Kindness, Patience, Faith, Self-control, and Long Suffering. His first commandment is to love Him with all our heart, soul, mind and strength, and others as ourselves. God is watching 2 Thessalonians 1:10 When He shall come to be glorified "In His Saints" and be admired "In" all that believe (because our testimony was believed in that day). Vs 12 That the Name (Nature) of The Lord Jesus Christ may be glorified "in you", and you in Him according to the Grace of our God and The Lord Jesus Christ. Hallelujah! Revelations 12:11 And they overcame him by the Blood of The Lamb, the word of their testimony, and they loved not their own lives even unto death. This story is deep and wide and much more than I can say. Holy Spirit is our teacher and comforter. Philippians 1:6 Being confident of this very thing, that HE that began a good work in you will perform it until the day of Jesus Christ. Proverbs 9:10 The fear of the Lord, is the beginning of wisdom. John 15:12 Help us to love one another, even as He has loved us.

The content of this article is deep and wide. My hope is you will search the scriptures for yourself. We will all stand before The Judgement Seat of Christ. Psalms 51:10 Create in me a clean heart, oh God, and renew a right spirit within me.

While Descending into Hell Fire

From Page1 ...with a spinal cord injury and a brain injury where my head had struck the ground. I have stored this letter as living proof to give the devil a black eye and to show what God has done! Every day I live I praise the Lord for what He has done. I give Him praise daily each time I see another day and I can step out of the bed. Now I attend the Dothan Church

of God regularly. I do not miss an opportunity to share what the Lord has done. I was literally on my way to hell, having drifted away from God to a self-indulging lifestyle, running from the divine call to preach, I was literally descending into hell. But God in His mercy reached His hand out one last time to save me and renew me unto Himself. What a faithful lov-

ing heavenly Father we serve. Yes, Lord, I will serve you, I give my life to you. I will obey your calling. James Lowe is 62 years old lives in Dothan Alabama and attends the Dothan Church of God with his wife Priscilla. He has been serving the Lord for two years since he returned to him after the accident. He ran from his calling to preach for about 30 years before returning. Praise God he is back!
