Daddy, I think I know Jesus Now

From Page 9

...came up and prayed with the people that were there. I came to find out a few days later that 6 people gave their lives to Jesus after the altar call that night. 6 people were so moved by the testimony of what God did in a 6-year-old boy that they wanted to give their lives to Christ. I'm still in awe of what happened that day.

When God does things like this that are so obviously orchestrated by Him, my mind naturally begins to think of all that was required for it to happen. First, Christian had to be in summer camp. Second, he had to have been stranded without a ride. Third, he had to have been stranded on a Monday. Fourth, he had to have

been picked up and kept by my friend Sarah. Fifth, he had to have met that little boy who led him to pray. And that's just a short list. Things like this prove that God has appointed times for His encounters. All we need to do as parents is pray and believe. You might have a wayward son or daughter, or you might have one that just hasn't encountered God yet. Either way, your prayers will move the hand of God and He will divinely orchestrate an encounter for your child at just the right time. It might even happen after a whole bunch of "screw ups" lead them off their normal schedule! Just keep praying and believing and in due season you will see the Yeshua (Hebrew for salvation) of our God.

James 4:7 "Submit yourselves therefore to God. Resist the devil, and he will flee from you."

Excellent book broke down in three parts. The book has inspiring messages.

- What the Word Of God is
- How to Study
- God compared to man
- Our relationship to God
- Know your enemy
- How to operate in God's authority

Christians should know how to fight. We are in a fallen world and nothing here is perfect. God has given us everything we would have need of to live this life victoriously. We cannot be a light to the world if we are weighed down with the cares of this world.

I pray this book can lead you to God and find that in Him we have peace, joy and understanding on how to live. With the years of experience I have, I cannot thank God enough for making it possible for me to share His love and faithfulness.
