Merry Christmas to all and Happy New Year. We are about to begin the 6th year of publishing this Christian Newspaper. Thank you for your readership, comments, prayers and support. With all the hype of fake news today and the liberal ungodly reporting we witness daily, He's Alive desires to bring you news of Christian interest and testimonies that clearly show that our God Is-Real...

There is clearly a line being drawn between those who profess to know Him and those who really do. Just today I saw where a "church" (so called) in Ohio met with other pastors (so called) to oppose the new law that would stop abortion when a heartbeat is detected. Now how could any man or woman of God want to stop a heartbeat? This is a clear distinction of those professing to know Him but denying His power.

Then another was the Dead Sea is coming to life in accordance with Ezekiel's prophecy! Praise the Lord, this is truly the end times where God is fulfilling prophecy before our eyes and showing His word is Truth and He cannot lie. We certainly live in exciting times and we are thankful we can bring you the latest news of these events unfolding before our eyes. But you must be awake to see them. If you are lukewarm or sleeping, they will pass you by. Rom 13:11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed.

Rom 13:12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light.

Pick up extra copies and use them as tracts, get the word out. Thank you. He is alive!!
