From the Publisher End Time Signs

It is increasingly clear that we are in the very end times spoken of by the Lord. Wars and rumors of wars, and as Timothy told us, men that are lovers of themselves, irreverent, disobedient to parents having a form of godliness with no power. With all the saber rattling in the middle east, God's epicenter, it is obvious Ezekiel 38 is soon coming to pass.

This age has bred a people exactly as Timothy prophesied, self-lovers more than God. For greed and power, they proclaim the murder of the unborn, even those born alive in botched abortions, to be the right, merciful and humane thing to do! When parents must ask permission to change a baby's diaper, or even further out in 'left' field, sue your parents because they did not get your permission to birth you, we have passed the point of insanity. When we have lost the proper foresight to raise boys to be men and girls to be women instead of a neutral gender generation, there is certain judgement

coming soon.

I have never seen such venom and hatred towards those who believe and practice the Bible. There are more and more horrendous physical attacks on people expressing Biblical views on our street corners and sidewalks. Politically, just look at how the 'left' literally 'hates' the conservatives in this nation.

It is time to awake to righteousness. Look up, for your redemption draws near.

2Tim 3:1-5 This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away.
