

Believing God to Begin Anew the Mighty Move of His Holy Spirit...

ORLANDO, Fla., Jan. 28, 2019 /Standard Newswire/ -- Christ for all Nations (CfaN) is thrilled to announce that Jeremy Riddle (Bethel Music) is the latest addition to the remarkable lineup for the 2019 Light the Fire Again Conference (LFTA) in Toronto, Canada. He joins speakers and worship-musicians from around the world, including CfaN Lead Evangelist, Daniel Kolenda, Heidi Baker, Carol Arnott, Carlos Annacondia, Shawn Bolz, Joshua Mills, Cindy Jacobs, Nathan Morris, Michael Koulianos, Eric Gilmour and many, many more. It's going to be a phenomenal, Spirit-lead event.

LFTA will be held May 1st through 4th at the Attwell Center in Toronto, Canada – the very same building where God poured out His Spirit in the 1990s during a multi-year revival known as the Toronto Blessing. As Evangelist Kolenda said of the upcoming conference, “We are believing God to begin anew the mighty move of His Holy Spirit that swept across the earth at the close of the last century.” There is every reason to believe God will answer that prayer. At 2018 LFTA, leaders of past revivals and out-pourings gathered to celebrate all God has done

and to declare His will for the future. Now, in 2019, LFTA leaders and attendees are in full anticipation that God will make good on His promises – His Spirit will be poured out on everyone. The Toronto Blessing was known for, among other things, the unforgettable worship-evangelist and CfaN staffer, Charles Ciepiel points out that, “There was a distinct sound to the move of God in the 1990s that profoundly influenced the church at

large. Many amazing artists from that era led worship at the 2018 LFTA. So, to have Jeremy Riddle and Lindy Conant-Cofer – two artists at the cutting edge of today’s worship experience – really makes sense. There’s continuity in the fresh, Spirit-saturated sound from one generation to the next.” A discounted “early-bird” rate is still available. However, seating is increasingly limited, so register soon. To learn more, visit www.lightthefireagain.org +++

Christianity Lost?

NEW YORK, Jan. 14, 2019 /Christian News-wire/ -- Over the past 40 years, the Christian community has been bombarded with new Bible versions at a rate of one translation per year. As early as the 1970’s, publishers began feeding the Church’s frenzy for revelation from Gods Word through mass production of new Bible translations. In the decades that followed, the number of versions pumped into the needle-riddled veins of the Church increased steadily with no end in sight. While those in the pulpit size up their buffet of Bibles, they can pick and quote their brand of Christianity at will. As a result, our Christian heritage is steadily being eroded; and it may scarcely be recognized 100 years from today when religious leaders stand up and quote a

paraphrase of a paraphrase that was em-braced by the Church of our day. Thus, Christianity Lost. While other world religions appear to hold true to their sacred text, it appears the Christian Church is allowing an un- seen force to redefine its heritage.

Does anyone care to imagine what would happen to the person in a Muslim country who claimed to have written the Quran or a person in Israel who attempted to teach from a New International Version of the Torah? While here is presented two extremes, the Christian Church is at the other end of this spec-

trum. In that, the body of Christ appears to sit passively by as the Church, their culture, and their heritage are being methodically redefined. The Revelation Mysteries - A Complete Study

On End-Time Prophecy is God’s call to man. Here, God is saying, There is still revelation in His Word; and He is ready to reveal it to His people if they only ask. The Revelation Mysteries is a one-of-a-kind resource for anyone interested in end-time prophecy. Visit: www.therevelationmysteries.com
